

1 % Funding Cut Impact:

We continue to struggle with loss of funding and want to share with Senate and House congressional representatives how the loss of money impacts direct services. We don't want to receive any more cuts and our data should indicate how current loss of funding is impacting services. If you have sent this data to me before you may skip this section.

	Current Impact	Impact of Future Cuts
Length of services – number of hours/day and/or days/year		
Transportation Services		
Reduction of Staff		
Family Services		
Professional Development		
Employee Benefits (health, etc)		
Other
